[Raised Bill \[pdf\]](#)

Introducer(s):

Energy and Technology Committee

Title: AN ACT CONCERNING HIGH SPEED BROADBAND ACCESS.

Statement of Purpose: To continue progress in the deployment and adoption of high speed Internet services and information technology, which are vital to ensuring that this state remains competitive and continues to create business and job growth, and to encourage and support the partnership of the public and private sectors in the continued growth of high speed Internet and information technology for the state's residents and businesses.
